

**Business Enterprises at University of Pretoria (Pty) Ltd (BE at UP) offers a 1:50,000 scale digital Bushveld map - available for one of SA's major mining areas for the first time**

The map is of use to all geologists involved with mining and exploration in the eastern Bushveld area. It covers the Eastern limb of the Bushveld Complex (amounting to ~15 1:50,000 map sheets) and is available for what is one of SA's major mining areas for the first time.

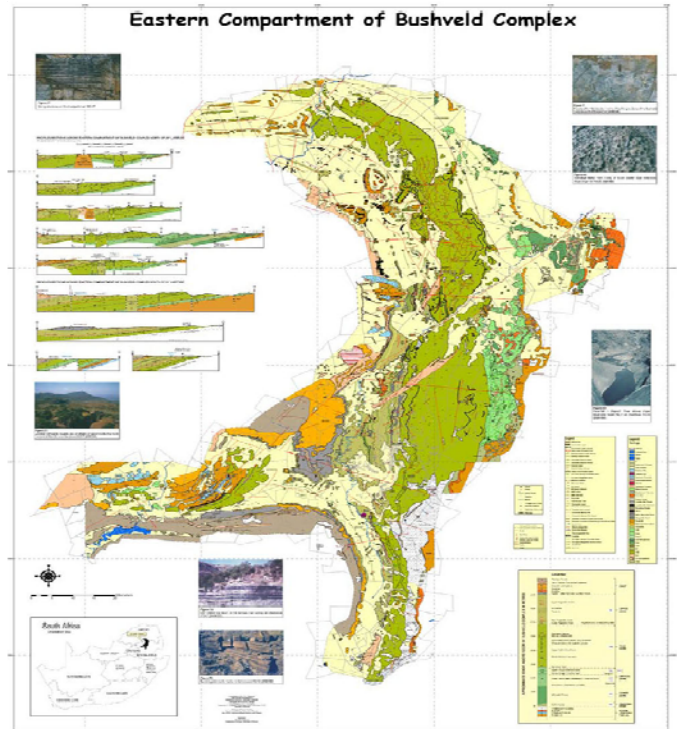

Considerable detail is supplied on the rock succession within the Main Zone, Rustenburg Suite, Bushveld Complex.

This map was developed by Dr. Tom Molyneux, an honorary member of the University of Pretoria staff. Dr Molyneux has spent much of his professional life in the eastern Bushveld Complex, working in various guises, and completed this set of maps in 2009.

**Benefit:**

An accurate digital map which can be fully interfaced with a company's own field and mine scale maps; accompanied by a set of geological profiles and a short booklet.

The map is fully electronic and comes in ArcMap format on a CD.

**The cost of the product amounts to ZAR 3 000.00 (excl VAT & postage)**

**Please note:**

- *Alumni:* Alumni of the Department of Geology at the University of Pretoria qualify for a discount - please supply your student number to receive your discount
- *Price:* The price of the product is only applicable to South African orders. International clients are welcome to contact us to determine the country specific price.
- *Value Added Tax (VAT):* Value added tax at the rate of 14% is charged on goods bought by South African residents. VAT is not payable on orders if both the billing and the shipping address are international.
- *Import Duties:* Import duties may be payable by recipients of goods in foreign countries. BE at UP accepts no responsibility for the calculation or payment of such costs.
