COMMUNITY PROJECT REPORT

NATHouse Project report :UMQHELE HIGH SCHOOL

AIM

The aim is to inform and enlighten learners about career opportunities that the University of Pretoria offers, and also to motivate them to work hard on their studies so that they can afford the admission to a tertiary institution. Moreover, this project is meant to develop and empower the community through education by providing all resources available to continue to entrust hope to our future generation (i.e. learners)

MISSION

Give career guidance to learners and provide grade 12 teachers with better equipped material such as text books. In addition to this, clean and repaint the parking lot.

Information session: 13:30 to 15:00

18 February 2011

We, the NATHouse team, together with the JuniorTukkie programme took a trip to Tembisa at Umqhele Comprehensive School, on a mission to pass the relevant information about the University of Pretoria and all its structures.

Present was Khumbuzile Bophela (Chairperson), Herman Modise (Vice-Chair/treasure), Sphamandla Mahaye (Project Leader/ Com. Project), Yenziwe Shembe (Com. Project), Mpho Selepe (Webmaster), Hamilton Maswathupa (Social/Marketing), Bafana Makwala (Social/Marketing), and Lucky (JuniorTukkie representative).

We had bought for the school two antivirus discs, two oxford dictionaries, ten mopping buckets, ten brooms, ten mops and other committee members have given their old text books which are recommended for schools and are relevant to their syllabi. We even bought thirteen packets of fizzers for the presentation, ten lucky packets for the winners on that day, pamphlets from the JuniorTukkie team and application forms, and periodic tables from the university.

We were introduced to Mrs. Mutautuna & her team by the Principal's office to help us in arranging everything including the introduction, class organisation, announcement of project and relative administration stuff. She and her team took it to their responsibility that everything goes well and

that both parties are satisfied. We had arrived earlier so that we prepare all the necessary things, and with that, we received a warm welcome by the school and were given enough resources to prepare on our own, again we were given everything we asked for and the whole session was well prepared.

We took photos with the school and we were asked to come back again both by the staff and the learners.

Community Project: 08:30 to 18:30

19 February 2011

We, the NATHouse team, together with the JuniorTukkie programme and former Umqhele learners studying at UP took a trip to Tembisa at Umqhele Comprehensive School on a mission to paint the school and improve cleanliness in their library.

Present was Khumbuzile Bophela (Chairperson), Herman Modise (Vice-Chair/treasure), Sphamandla Mahaye (Project Leader/ Com. Project), Yenziwe Shembe (Com. Project), Mpho Selepe (Webmaster), Hamilton Maswathupa (Social/Marketing), Bafana Makwala (Social/Marketing), Malebo Ditlopo (Secretary), Thomas Ngwato (Academics), Rames Chauke (Sports), Sister Nonhlanhla (former Umqhele Learner), and Lucky (JuniorTukkie representative).

We were welcomed on Saturday morning by the Principal, Mrs. Mutautuna & her team. We had bought painting stuff, paints, paint brushes, sand papers, etc. We were given instructions what to do with the library and had extensive supervision within the library personnel. We were also painting the front parking lot to green, which matches the colour of the school itself.

We were provided breakfast by the lovely school at 11:00 which showed great hospitality shown by the staff of the school and at 14:30, the staff made a mini braai for us to celebrate the initiative which again showed great hospitality. We painted the whole parking lot to green and added the numbers instead of the names of the teachers which was instructed to us due to valid reasons.

At the end of it all we presented gifts for the Principal of the school and Mrs. Mutautuna & her team for their great support to our initiative. IT WAS A GREAT SUCCESS ALL-IN-ALL AND WE CAN ONLY HOPE THAT IT IS DONE AGAIN IN THE NEAR FUTURE.

VISION

We believe that this school will set a standard that appeal to be of success from the community and build a reputation of undefeated character through the struggle of educating our nation.

BOTH PARTIES WERE EXCITED FROM THE BEGINNING UNTIL THE END, AND WE ALL SHOWED GOOD TEAM WORK AND A GREAT RESPONSIBILITY.

I thank you

Mr. N.S Mahaye
