Die Visekanselier en Rektor van die Universiteit van Pretoria

prof Cheryl de la Rey

nooi u vriendelik uit na die derde lesing in die

UP-EKSPERT LESINGREEKS

VROUE IN LEIERSKAP: VORDERING EN UITDAGINGS

aangebied deur prof Stella Nkomo

Een van die noemenswaardigste wêreldwye veranderinge in die 20ste eeu is die toetreding van vroue tot bestuurs- en leierskapsposisies wat tradisioneel deur mans beklee is. Ondanks hierdie verandering word vroue steeds in die leierskorps van organisasies ondervertegenwoordig. In hierdie derde lesing van die **UP-EKSPERT LESINGREEKS** vra prof Stella Nkomo van die UP in watter mate vroue wel gevorder het en watter struikelblokke steeds hul vooruitgang strem. Die lesing sal hierdie vrae binne 'n wyer internasionale konteks stel en terselfdertyd insigte verskaf oor die status van vrouebestuurders en -leiers in Suid-Afrika.

Die **UP-EKSPERT LESINGREEKS** het ten doel om 'n openbare platform vir akademici van die Universiteit van Pretoria daar te stel om met 'n algemene gehoor te skakel oor belangrike ontwikkelings in hul vakgebiede wat waarskynlik in die toekoms 'n uitwerking kan hê.

Kom na **UP** se uurlange **EKSPERT LESING** en kry so deel aan die Universiteit se navorsingsuitmuntendheid.

The Vice-Chancellor and Principal of the University of Pretoria

Prof Cheryl de la Rey

cordially invites you to attend the third lecture in the

UP EXPERT LECTURE SERIES

WOMEN IN LEADERSHIP: PROGRESS AND CHALLENGES

presented by Prof Stella Nkomo

Arguably one of the most significant worldwide changes during the 20th century has been the entrance of women into management and leadership positions that had long been male dominated. Despite this change, women are still underrepresented in the upper echelons of organisations. An expert from the University of Pretoria, Professor Stella Nkomo, will - in the **UP EXPERT LECTURE SERIES** - pose the question of just how far women have progressed and what the barriers are which continue to impede their advancement. The lecture will place these questions in the broader international context and at the same time provide insight into the status of women managers and leaders in South Africa.

The **UP EXPERT LECTURE SERIES** provides a public platform for academics of the University of Pretoria to engage with a general audience regarding significant developments in their fields of expertise that are likely to have an impact in the future.

Join us for UP's 60-minute **EXPERT LECTURE** and become a participant in UP's research excellence.
