Module content

*For LLB

An introduction to the medical and social aspects of the disease, and aspects of the legal position of people with HIV/Aids; seminar assignments (mini-dissertations) about problems of a moral and legal nature, such as the criminalisation of HIV infection as a separate statutory offence, implications of the right to health care, notification of HIV/Aids and the limits of privacy, as well as aspects arising from medical experimentation and the development of a vaccine.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
