General Rules

Sexual harassment and racial discrimination

In terms of its Code of conduct on the handling of Sexual harassment and its Policy on Unfair Discrimination on the basis of Race, the University of Pretoria strives towards creating a living and study environment for each of its students that is non-sexist, non-racist and non-discriminatory.

Disciplinary steps can be taken against students who commit acts of sexual harassment and/or unfair discrimination on the basis of race. Upon conviction, such students can be expelled.

Sexual harassment is unwelcome conduct of a sexual nature that violates the rights of a student and constitutes a barrier to equity within the University community, while unfair discrimination on the basis of race impairs a student's right to a non-discriminatory, non-racial study or living environment.

The procedures to be followed by a complainant to report cases of sexual harassment and unfair discrimination on the basis of race are set out in the University's policies and can be illustrated as follows:
