Module content

Southern African Stone Age, Iron Age, Pastoralism, and Historical Archaeology are the main topics discussed. What types of people were making ESA, MSA, and LSA, when did hominids first leave Africa, southern African rock art, the origins of livestock herding, the development and decline of complex societies in southern Africa, and postcolonial approaches in archaeology are some of the focus areas.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
