### Module content

The purpose of this half-module is to create an appropriate level of awareness of the importance of ethical and sustainable behaviour in the business environment. Important ethical and sustainability issues in the South African context will be debated and discussed to ensure delegates appreciate some of the hurdles facing business leaders in South Africa. Students will develop an understanding of the underlying principles behind responsible leadership and be provided with tools to make sound business decisions where there is an ethical dimension present. It will also provide students with tools to assist them when faced with ethical dilemmas.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
