### Module content

This module will introduce the students to the world of entrepreneurship and its embedded process. It will contribute to the role entrepreneurs play in the socio-economic environment and likewise address certain applications of the field. The intention of this module is to explore the phenomenon broadly referred to as entrepreneurship; to make it easily understood as a business concept, readily accessible as a career option and practically applicable as a style of management within the realm of the entrepreneurial mind-set.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
