Academic organisation	Sociology
Period of presentation	Semester 2

Module content

This module takes a sociological approach to understanding and interrogating South African society. It begins by looking at some of the debates and discussions about Sociology in South Africa. It then reviews and debates key issues in order to understand the political economy of Apartheid. Finally it looks at some key debates associated with post-apartheid South Africa.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
