Module content

Images across media: current issues

This module presents an introduction into the ways in which images appear across media in contemporary visual culture from a specific African perspective within the global. This is done by means of exploring key modes, themes, genres, platforms and visual texts. Among the media and mediums that may be covered are photography, art, graphic design, advertising, film, documentaries, video, digital and social media.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
