## Module-inhoud

This module will introduce the students to the world of entrepreneurship and its embedded process. It will contribute to the role entrepreneurs play in the socio-economic environment and likewise address certain applications of the field. The intention of this module is to explore the phenomenon broadly referred to as entrepreneurship; to make it easily understood as a business concept, readily accessible as a career option and practically applicable as a style of management within the realm of the entrepreneurial mind-set.
