Programinligting

Hierdie inligting is slegs in Engels beskikbaar.

The PhD degree is conferred by virtue of a thesis.

The head of department reserves the right to prescribe any additional modules/seminars for a candidate.

A candidate must also pass the compulsory module in EBW 801 Research methodology 801 if it has not been completed at master's level. However, the Dean may, in exceptional cases and on the recommendation of the head of department/director concerned, waive this prerequisite.

Toelatingsvereistes

- Relevant master's degree with an average of at least 60%.
- A prospective candidate has to apply online to be admitted to the University.
- The Dean has the right of authorisation regarding matters not provided for in the General Regulations or the Faculty regulations.
- Due to capacity constraints, there may not be an intake of new students every year. It remains the applicant's responsibility to ensure that the degree they wish to apply for, will indeed be offered.

Ander programspesifieke inligting

The curriculum must be compiled in consultation with the head of the department.

Eksamens en slaagvereistes

The thesis should be passed in accordance with the stipulations of Regulations G.52 and G.60.2.2, as well as a compulsory module in Research Methodology.

Navorsing

The candidate will complete his/her research under the guidance of his/her supervisor, and submit the thesis as soon as it complies with the regulations of the University. A public defence of the thesis and an article for publication is part of the prerequisites of completing the degree. The research component (thesis and draft article for publication) contributes 100% towards the total requirement for the degree.
