### Module content

In this module contextually relevant aspects of human reality are reflected on through philosophy considered as practical activity. Students will engage issues of socio-political relevance in contemporary (South) Africa, the Global South and beyond. The focus is on key themes and texts in debates of contemporary relevance and may include issues from any of the sub-disciplines of philosophy such as political philosophy, moral philosophy and philosophy of science.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
