## Admission requirements

Prospective students must be in possession of an MBChB degree. All candidates must be registered as a
medical doctor with the Health Professions Council of South Africa. Due to limited resources a selection
procedure might need to be applied.

## Other programme-specific information

## Select one of the following at the end of the first semester:

- Cardiac ultrasound
- Obstetrics
- General
- Vascular

## Examinations and pass requirements

- i. Students must obtain a minimum mark of 50% in all the practical assessments and assignments assigned every semester.
- ii. A practical examination (ULT 751) will take place at the end of the two-year programme.
- iii. The final written examination (ULT 750) takes the form of a portfolio of the continuous written assessments completed during each module.
- iv. A minimum final mark of 50% is required in both the portfolio and the practical examination to pass.

## Pass with distinction

An average of at least 75% in all modules is required to obtain the diploma with distinction.
