### Module content

#### Part 1: Critical textual competence

Students are exposed to diverging translations and interpretations of selected OT and NT texts. Through their own knowledge of and competence in intra-, inter- and extratextual analysis they are guided towards critical assessment of diverging points of view and independent decision making in the reading, analysis and understanding of ancient literary texts.

#### Part 2: Integration of analytical skills

Students are guided towards independent reading and analysis of chosen Greek and Hebrew texts by integrated application of all knowledge and skills acquired in GRK and HEB modules on year levels 1 and 2, as well as in BYT 251, 310 and 320.
