### Module content

This module is designed to introduce students to some of the legal aspects of particular importance to social workers. The module includes the following components: An introduction to law in general including an overview of the sources of law, the South African court system, the legal profession, legal aid and the procedural law; the law of persons, with specific reference to the commencement and termination of legal subjectivity and the legal status of a person; an introduction to the criminal law and punishment and the role of the social worker in the criminal process.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
