Programme information

This programme is aimed at equipping the learner with communication skills as well as in-depth knowledge of the language, literature and culture of at least two languages. Through the study of language, students are guided towards critical reflection on and well grounded participation in (cultural) discourses, and they acquire perspectives on different aspects of people and their interaction with the world. By continuing with an honours degree in Translation and Professional Writing or an honours degree in Applied Language Studies on completion of the BA Languages programme, students are equipped to become researchers or practitioners (full-time or freelance) in any of the following professional domains: translation and interpreting, editing, lexicography, language planning and development, corporate communication, document design, advertising, creative writing, media work, community development, tourism and the diplomatic service. By continuing with a Postgraduate Certificate in Education on completion of the BA Languages programme, students are equipped to enter the teaching profession.
