Programme information

Residence

On the recommendation of the relevant head of department, the Dean may set specific residential requirements for the MScAgric degree.

Renewal of registration

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation which is supported by the relevant head of department and Postgraduate Studies Committee.

Curriculum

Subject to programme-specific requirements, the curriculum for the MScAgric degree consists of the following:

- A dissertation; and
- Further study in the major subject/s, augmented by ancillary modules prescribed by the Postgraduate Studies Committee, on the recommendation of the head of department. Such ancillary modules may be taken simultaneously with the major subject/s. Candidates in possession of the BScAgricHons degree may be exempted from additional ancillary modules.
- Please note that not all modules will be offered in any one year.

General

Candidates are required to familiarise themselves with the General Regulations regarding the maximum period of registration and the requirements on the submission of a draft article for publication.

Admission requirements

- BScAgric major in agricultural economics
- A final grade point average of at least 60% at final-year level

Other programme-specific information

Students should complete a module in research methodology as preparation for the dissertation module.

Examinations and pass requirements

- i. The examinations in the ancillary modules should be successfully completed prior to, or simultaneously with, the examinations in the major subject/s, unless the Faculty Board decides otherwise.
- ii. General Regulation G.12.2 applies to the calculation of marks.
- iii. In order to obtain the MScAgric degree, the candidate must pass all prescribed modules, including the examination in the major subject/s, as well as the dissertation.

Curriculum: Year 1

Minimum credits: 90

Minimum credits:

Core = 60 credits

Electives = 30 credits

ADDITIONAL PROGRAMME INFORMATION

Select TWO electives to the value of 30 credits according to the area of specialisation:

(Note: not all electives are presented each year. The presentation of an elective module is dependent on the number of students interested in enrolling for the module)

Areas of specialisation with relevant elective modules:

Agricultural and rural development:

For this area LEK 885 is compulsory

LEK 885 - Agricultural and rural development 885

Take one additional module from the following:
