

University of Pretoria Yearbook 2021

Harnessing the new economies 823 (GIG 823)

Qualification	Postgraduate
Faculty	Gordon Institute of Business Science
Module credits	15.00
NQF Level	09
Programmes	MPhil with specialisation in Leading in New Economies
Prerequisites	No prerequisites.
Contact time	35 contact hours
Language of tuition	Module is presented in English
Department	Gordon Institute of Business Science
Period of presentation	Semester 1 or Semester 2

Module content

This module aims to expose students to the systemic logic and underlying mechanisms of various new economies including Green, Digital, Circular and Shared Economies and any other emergent economies. This will equip them with the ability to articulate systemic effects of these economies on organisations and discern the necessary responses for effective organisational leadership.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
