| Period of presentation | Consult the department |

Module content

Research-led interdisciplinary design project. Students may from time to time be required to undertake experiential learning/practical work, community engagement or data collection activities related to on-site research in socioeconomically underprivileged areas.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
