### Module content

The purpose of this module is to develop a corporate communication strategy for a real client.

Study themes:

- The building blocks of a corporate communication strategy and plan;
- Entrepreneurship development for starting a consulting firm;
- Specifics skills to be refined include project management, team communication, conflict management, creativity, writing and content creation for all media and platforms, as well as business presentation skills.

The purpose of this module is to guide students through the process of developing a corporate communication strategy which will be presented to a panel of lecturers and representatives of the client.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
