

University of Pretoria Yearbook 2022

Geological field mapping 266 (GLY 266)

Qualification	Undergraduate
Faculty	Faculty of Natural and Agricultural Sciences
Module credits	6.00
NQF Level	06
Programmes	BSc (Chemistry) BSc (Engineering and Environmental Geology) BSc (Geology)
Prerequisites	GLY 253
Contact time	7 days full-time block week
Language of tuition	Module is presented in English
Department	Geology
Period of presentation	Year

Module content

Introduction to field mapping techniques.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
