Module content

The focus of this module is on the application of human rights principles to discrete reproductive health issues with a view to developing human rights responses to contemporary reproductive health challenges in the African region. Topics include:

- Contraception
- Domestic violence
- Female genital cutting
- Infertility and medical-assisted reproduction
- Maternal death
- Sexual violence in times of conflict
- Sexuality and reproductive health education
- Trafficking in women and children
- Unsafe abortion

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the

General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
