### Module content

To design and develop teaching skills, strategies, resources and material. To assist the development of student teachers' own handwriting and chalkboard skills and support the development of the learner handwriting. To prepare the student to select, plan, prepare and use media in the learning environment that enhance the learners' perceptual skills and stimulate critical thinking and problem-solving skills. This module forms the foundation of the 4th year module JFP 451.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
