Module content

Hierdie module bied 'n inleiding tot taal en geletterdhede en beklemtoon die belangrikheid hiervan vir die leerproses in Afrikaans as huistaal. Daar is 'n verskeidenheid van temas wat fokus op die onderrig en aanleer van basiese kommunikatiewe vaardighede, met klem op skryfvaardigheid en kinderliteratuur. Die module inhoud rus voornemende onderwysers toe in Afrikaans as huistaal, as 'n opvolg module vir JGL 113. Die doel van die module is om jong leerders se taalontwikkeling te stimuleer sodat hulle met selfvertroue in Afrikaans kan kommunikeer.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
