Period of presentation Semester 1

Module content

Develop knowledge and insight regarding learners with learning difficulties. Systemic factors that influence the development of the learner; the impact of perception (motor, visual and auditory) on the integrated learning process and principles of inclusive education. A practical learning support model which focuses on assessment as well as devising a supporting strategies to cater for individual needs.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
