Module content

Advanced translation principles and practice. Students apply their knowledge of the use of HLT (human language technology) in translation practice. Specialisation in various types of translation such as technical translation, legal translation, literary translation (prose and/or poetry), administrative translation (service prose), translation of advertisements, etc. Students choose their field(s) of specialisation in consultation with the lecturer, using any language combination offered by the Language Departments, provided that the particular language combination can be accommodated during any given year. Where possible, practising translators specialising in the various types of translation are invited to participate in the module.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
