The BSocSci (Heritage and Cultural Tourism) programme focuses on tourism as the world's number one industry and the fastest-developing enterprise in Africa. The emphasis is on heritage and cultural tourism, with strong theoretical conceptualisations and practical components that are vital for understanding tourism as a human activity.

Attention is given to aspects such as tourism as a phenomenon, heritage tourism management, tourism and representation, community-based tourism, the South African tourism product and current discourses in tourism, for example, tourism entrepreneurship.

The programme offers a multidisciplinary perspective on tourism and heritage management that includes a variety of aspects like entrepreneurship, conservation, business, travel and tour planning, event planning, destination marketing, amongst others. Included in the third year of the degree is accreditation to register as a provincial culture tourist guide in Gauteng. In the honours year of this programme, students are given the opportunity to participate in running UP Campus Tours (a unique simulated tourism business).

The ideal candidate for this programme displays an outgoing nature, broad interests, creativity, enthusiasm, the willingness to take initiative and be innovative and the candidate must be prepared to work hard.
