Faculty Notes

The Faculty of Humanities provides a holistic education, transferable skills, critical thinking, and communication and problem-solving that will help you develop to your full potential. You will be entering a stimulating environment that will broaden your intellectual horizons and help you achieve personal and professional success through the best possible learning experience.

As the most diverse Faculty of the University of Pretoria, we offer an exciting and comprehensive range of programmes and discipline-based majors, including studies in languages, social sciences and visual and performing arts.
