Closing Dates

- **SA** – 31/10/2020
- **Non-SA** – 31/08/2020

Admission Requirements

- The closing date is an administrative admission guideline for non-selection programmes. Once a non-selection programme is full and has reached the institutional targets, then that programme will be closed for further admissions, irrespective of the closing date. However, if the institutional targets have not been met by the closing date, then that programme will remain open for admissions until the institutional targets are met.
- The following persons will be considered for admission: Candidates who have a certificate that is deemed by the University to be equivalent to the required National Senior Certificate (NSC) with university endorsement; candidates who are graduates from another tertiary institution or have been granted the status of a graduate of such an institution; and candidates who are graduates of another faculty at the University of Pretoria.
- Life Orientation is excluded in the calculation of the APS.

Transferring students

Candidates previously registered at UP or at another university

The Admissions Committee of the faculty considers applications of candidates who have already completed the final Grade 12 NSC or equivalent examination and/or were previously registered at UP or at another university, on grounds of their NSC or equivalent results as well as academic merit. Candidates who were dismissed from other faculties or universities will not be considered.

Qualifications from countries other than South Africa

- Citizens from countries other than South Africa and South African citizens with foreign qualifications must comply with all the admission requirements and the prerequisites for subjects/modules.
- Only a limited number of candidates are admitted to undergraduate studies in the faculty. In addition to meeting the admission requirements, admission is based on the performance in the **TOEFL, IELTS or SAT**, if required, in competition with other candidates who also meet the admission requirements.
- Candidates must have a NSC with admission to degree studies or a certificate of conditional exemption on the basis of a candidate's foreign qualifications, the so-called "Immigrant" or "Foreign Conditional Exemption". The only condition for the "Foreign Conditional Exemption" that is accepted is: 'completion of the degree course'. The exemption certificate is obtainable from Universities South Africa (USAf).
