- BCom Business Management

The BCom (Business Management) degree programme is for the student who wants to become a business leader and be employed in an organisation or create his/her own employment. The degree programme will give you the big picture of the organisation as a body with separate but interdependent parts and will show you how all the parts function as a whole. You will be equipped to solve real-life business problems, use management processes to make decisions to benefit the organisation and know the importance of being innovative within a dynamic business environment. The degree programme will empower students to develop a passion for business through exposure to South African and international best practices.

The BCom (Business Management) degree programme is the first step on the academic path within the Department of Business Management that can take you on a road to different honours degrees, postgraduate diplomas, MPhil degrees and finally PhD degrees in either Business Management, Entrepreneurship or Leadership.

You have to be:

- Able to see the big picture
- A creative thinker
- An analytical thinker
- A self-starter
- Able to integrate ideas and concepts
- A systematic organiser and planner

The University of Pretoria has decided not to set a specific closing date for applications to non-selection programmes for 2023. Applications will close when the available study spaces are filled (**close on availability of space**). Once the available number of study places for a specific programme are filled, no further applications for that particular programme will be considered. All applicants are therefore strongly advised and encouraged to submit their applications as soon as possible after 1 April 2022 and to check the application site (UP Student Portal) regularly.
