Selection Process

The Department of Business Management admits approximately 40 students into the honours programme per year. Current University of Pretoria students who comply with the minimum entry requirements will get preference to fill these 40 places. In particular, the 40 University of Pretoria students who comply with the minimum entry requirements and who achieved the highest final mark in their final year of studies will be selected. Selection will therefore be based on a final mark for Strategic Management formulation (OBS 310) and Strategic Management implementation (OBS 320). If the Department is unable to fill these 40 places with students from the University of Pretoria, applicants from other tertiary institutions will be considered to fill the remaining openings. In such an event, these external applicants will be required to write an entrance examination focused on strategic management

1 year, full-time.
