Notice: UP ensures that the South African economy is supported, and from time to time we request the services of suitable providers to apply for relevant tenders. We have very strict procurement policies and procedures which are in line with legal requirements and the University's commitment to ethical practices. All the relevant information requests are contained within each call for proposals or providers of goods and services.

For general enquiries related to this Tender Website please contact:
Tammy Govinden
tammy@up.ac.za

For enquiries related to specific tenders, contact the listed enquiries contact on the advert.
