Module content

Training of observation skills with the use of an assessment schedule. A practical component is included in this module. At the end of this module the student must be able to understand the process of communication evaluation of people with severe disabilities by describing the assessment principles, as well as the assessment of opportunity and access barriers and of specific capabilities.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
