### Module content

This research module is a follow-up module of AAK 712 where the student has to conduct a research project as proposed in the first year. The module covers planning for data collection, field work, analysing data collected and writing up the results and discussion of the results in the form of a complete research report. On completion of the module, the student will be expected to complete a research report (as proposed in AAK 712).

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
