

University of Pretoria Yearbook 2016

Thesis: Agronomy 990 (AGR 990)

Qualification Postgraduate

Faculty [Faculty of Natural and Agricultural Sciences](#)

Module content This module involves the development, presentation and approval of a research proposal, the execution of the research project, and the writing up and presenting of the research results. In addition to the thesis, the student is also expected to publish at least one research paper in a peer-reviewed, UP accredited scientific journal. An oral examination covering Pasture Science and other fields related to the thesis will be conducted after the thesis has been accepted by examiners. A candidate needs to pass both the written thesis and oral examination to qualify for the degree.

Module credits 360.00

Programmes [PhD Agronomy](#)

[PhD Biotechnology](#)
