

# University of Pretoria Yearbook 2016

## Cardiovascular and thermoregulation 255 (BGN 255)

**Qualification** Undergraduate

**Faculty** [Faculty of Humanities](#)

**Module credits** 10.00

**Prerequisites** No prerequisites.

**Contact time** 1 practical per week, 3 lectures per week

**Language of tuition** Double Medium

**Academic organisation** Sport and Leisure Studies

**Period of presentation** Quarter 4

### Module content

\*Closed – requires departmental selection

In this module, the primary focus is on the cardiovascular system and thermo-regulation. Incisive analyses of the anatomical structure of the two systems are made and how these systems function during exercise and in different climate conditions.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
