

# University of Pretoria Yearbook 2016

## Research report 780 (CIE 780)

**Qualification** Postgraduate

**Faculty** [Faculty of Education](#)

**Module credits** 16.00

**Programmes** [BEd Hons Computer-integrated Education](#)  
[BEdHons General](#)

**Prerequisites** No prerequisites.

**Language of tuition** Double Medium

**Academic organisation** Science, Maths + Techno Ed

**Period of presentation** Semester 2

### Module content

This module equips students to develop core competencies regarding the conceptualisation and undertaking of a research project within a CIE (computer integrated education) or ICT (information and communication technology) context. Students should have a clear understanding of the elements that comprise a research report which include formulating a research proposal and conducting and applying basic and appropriate research methodology. A research report for presentation of the research is written.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
