<b>Faculty</b>	<a href="#">Gordon Institute of Business Science</a>
<b>Module credits</b>	9.00
<b>Prerequisites</b>	No prerequisites.
<b>Language of tuition</b>	English
<b>Academic organisation</b>	Gordon Institute of Business S
<b>Period of presentation</b>	Semester 1 or Semester 2

### Module content

This course is about understanding strategy execution as a competence which can be designed, crafted and grown to provide the organisation with a sustainable competitive advantage. While strategy design is largely about making choices about products, services, markets and ways of competing; execution is about architecting and building an appropriate organisation which can make the correct strategic choices, review the progress against the goals and re-architect the organisation to the changing environment.
