Module content

In this elective, you will be exposed to the latest theory and models based on Entrepreneurship. On completion of this module, you will be able to analyse, evaluate and offer solutions to local or global businesses from an entrepreneurship perspective. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
