Period of presentation	Year

Module content

The nature and structure of the learning area as it pertains to the intermediate phase. Change in technology over time, the impact of technology and biases created by technology form the essence of this learning area. In the process of learning, learners will develop technology capability, seek practical solution orientated to skills and also accessing, processing and utilising knowledge.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
