| Period of presentation | Semester 1 |

Module content

This module will focus on two main topics namely sexuality education and basic counselling skills. In sexuality education the student will be prepared to deal with sexuality related topics in the classroom situation, as well as basic counselling skills within the school context.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
