### Module content

This one year module aims to empower future teachers who have basic knowledge of psychology modules with specialised skills to promote the personal, social, educational, and career development of all learners in schools. Student teachers will acquire learning opportunities which will enable them to proactively design and implement in a preventive manner school programs on academic, career, personal / social and community development to ensuring that all learners can have the opportunity to achieve success and develop to the best of their abilities.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
