### Module content

\*Closed – requires departmental selection

Various theories explaining the causes of crime are studied. Because most of the existing theories were developed in the United States of America, attention is given to the possibility of using these theories within the South African context.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
