

## University of Pretoria Yearbook 2016

## Nuclear solid state physics 715 (PHY 715)

| Qualification          | Postgraduate                                 |
|------------------------|--|
| Faculty                | Faculty of Natural and Agricultural Sciences |
| Module credits         | 10.00  |
| Prerequisites          | No prerequisites.                            |
| Contact time           | 4 lectures per week                          |
| Language of tuition    | English                                      |
| Academic organisation  | Physics                                      |
| Period of presentation | Semester 1                                   |
|                        |  |

## Module content

Mössbauer effect; positron annihilation; perturbed angular correlations; neutron scattering; RBS; channeling; nuclear reaction analyses.

The information published here is subject to change and may be amended after the publication of this information. The **General Regulations** (**G Regulations**) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the **General Rules** section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
