Semester 1 or Semester 2

Module content

The module focuses on African political systems, the position and role of Africa in the international system and aspects of regionalism and regionalisation. An analysis and evaluation is made of the major issues, challenges, trends and transformations concerning the domestic politics and the regional and international relations of African states, including pan-Africanism.

The information published here is subject to change and may be amended after the publication of this information. The **General Regulations** (**G Regulations**) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the **General Rules** section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
