### Module content

Only students who graduated on third-year level in an African language can register for this elective. Facilitating learning in an African language focuses on the usage of the communicative approach. How to challenge learners to speak, listen and read the language as well as exposing them to the culture of its people. The emphasis will be on design implementation management and assessment of learning tasks in the field of specialization with a cross-curricular integrated approach. How to ensure the learning of a language and explore the world through language. The study integrates the disciplinary bases of content knowledge, methodology and relevant pedagogic theory.
