**Academic organisation** Visual Arts

**Period of presentation** Semester 2

### Module content

Advanced discourses

This module considers an array of visual research methods appropriate to the specific disciplines of fine arts, information design and visual studies. In particular, a key focus is on identifying research topics in the visual arts and providing a suitable method for their investigation and/or analysis. The identified research topic will culminate in an independent research project that may be pursued further in postgraduate studies.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
