## BTh Theology (06130006)

**Duration of study** 3 years

**Total credits** 375

### Programme information

This programme offers general theological education to students who have passed the National Senior Certificate with admission to degree studies. It also provides a basis for denominational programmes, formation and practical training with a view to the ministry.

A fixed curriculum with very few electives is prescribed. A student who registers for this programme, has to submit his or her curriculum to the Programme Coordinator for approval at the beginning of each academic year.

### Admission requirements

- In order to register for the study programmes, candidates must comply with the minimum NSC/IEB/Cambridge requirements for tertiary studies as well as the minimum requirements of the relevant study programme.
- Life Orientation is excluded in the calculation of the APS.

## Other programme-specific information

### Notes:

- The modules referred to are offered per semester.
- Academic literacy: The following modules must be completed during the first year of study: ALL 110 (not compulsory if the candidate is exempted on the grounds of the NSC-symbol for English) and ALL 120. All students must pass ALL 120 as part of the prescribed curriculum.
- Computer literacy: The following modules must be completed during the first year of study: AIM 101 or AIM 102 (AIM 111 and AIM 121).
- If this programme is followed at a seminary or college (in terms of an agreement between such institution and the University of Pretoria), the semester modules must be presented according to the registration period.
- Certain modules are prerequisites to later modules.
- If a module does not attract enough student registrations to be presented economically, the Dean may decide to withdraw it. Students will be advised in time of such decisions in order to register for an alternative module.
- The timetable of lectures must be consulted.
- A student may, with the consent of the Dean, exceed the number of modules per study year by two semester modules or one year module.

## Examinations and pass requirements

### Special examinations

See *General Regulations G.12.4 and G.12.6*.

A student who complies with all the requirements for the degree with the exception of a maximum of two semester modules, in each of which a combined mark of at least 40% has been obtained, may be admitted to a special examination in the same modules at the end of the following semester.

## Promotion to next study year

- To be admitted to the second year of study, a student must pass at least eight semester modules, unless the Dean decides otherwise.
- To be admitted to the third year of study, a student must pass at least 21 semester modules, unless the Dean decides otherwise.

### Academic exclusion

The Dean may on recommendation of the relevant faculty committee, exclude a student academically by the cancellation of the registration for that particular year or for the following year, if he or she does not comply with the minimum requirements. One may appeal against academic exclusion.

## Pass with distinction

The degree is conferred with distinction on a student who obtains an average of 75% (GPA) in all the prescribed

modules of the final year provided that not one of the modules had been failed previously and that the programme was completed within the minimum prescribed period.
