## BRadHons Diagnostics (10247062)

**Duration of study** 1 year

### Admission requirements

Subject to the stipulations of the General Regulations, a candidate must hold the BRad degree or an equivalent qualification in the relevant field of specialisation for admission to honours degree study and must be registered as a radiographer with the Health Professions Council of South Africa.

A student must be appointed in a full-time position at an institution approved by the Department for this purpose.

### Additional requirements

All students must register for NVB 700 Research principles.

Also consult the General Regulations.

### Examinations and pass requirements

Second examinations may be granted in modules not passed, according to the stipulations of the School of Healthcare Sciences in this regard.

### Pass with distinction

The degree is conferred with distinction on a student who has obtained an average of at least 75% in all the modules for the degree.

---
